A UK Ministry of Defence Conference brought
to you by the Air & Space Power Association

Defence Space 2022 Gala Dinner

To co-incide with the MoD's Defence Space Conference the Air and Space Power Association will be holding the inaugural DS Gala Dinner on Tuesday 10th May.

To be held in the Riverside Room at the Institute of Engineering and Technology at the end of conference day 1, the evening is set to be a most prestigious occasion for all defence professionals.

This is the perfect opportunity to network with respected peers and discuss the matters of the day. Guests will include our industry partners alongside MOD, military and civilian Space professionals as well as representatives from academia and media.

Your ticket will include:

- Reception drink
- 3 Course meal
- ½ bottle of wine per person

Tables are available to purchase at £1950 + VAT for 10 seats. Individual seats are available at £195 + VAT per seat
